Achiever's Corner

Sujit Thakur shares his story of struggles and subsequent success at IFFCO Kisan

This section imbibes the achievements of Mr. Sujit Kumar Thakur, presently working as State Head – Rajasthan, his glorious escapades with IFFCO Kisan. It's almost been a decade for him working with IFFCO Kisan when he had joined as a MA. He is only few of the individuals who rose into prominence and became a State Head from Marketing Associate and hence shall continue to inspire many with his feats.

His corporate exposures have been with Pepsi and Kingfisher before joining our company. When asked about his achievements, the very humble Sujit replied, "IFFCO Kisan offers career advancements opportunities like no other. Personally I've seen myself grow from a being Marketing Associate to now a State Head. Responsibility to oversee business operations was entrusted to me at a very early stage which I believe enhanced my managerial capabilities and helped me reach where I am today".

As a State Head of Rajasthan, Sujit doesn't feel over-burdened with additional responsibilities and takes every challenge as a challenge. While trying to explore his success mantra, Sujit exclaimed, "I don't have one! I constantly look for self-development. I am a good listener and a proactive individual.

Sujit's Reporting Manager, Dr. Navin Chaudhary proudly says, "I have always seen Sujit as "good with execution" but I imbibed in him a sense of fearlessness which, I think, has helped him a lot to rise like anything. I feel great when his leadership is taken as an example in IFFCO Kisan". The entire team of IFFCO Kisan congratulates Sujit for his phenomenal success and wishes him all the very best for his endeavours.
